

TES SPaG Practice Test Level 3-5 Set 2

Grammar, punctuation and spelling Spelling test

This test emulates the current formal SPaG spelling test to help pupils familiarise themselves with the format and types of questions they might see.

While the level of spellings used in this test has been based on the existing framework for 2013 to 2015, please do not use it or the accompanying answer sheet as a definite predictor for what will be in the actual test in May.

It is assumed that the format and content of the SPaG spelling test will change in 2016 to reflect the new curriculum, at which point this test will be updated.
